Dear Doctor McClelland:

Just wrote Gerard M. M. thanking him for sending me a lot of May Herald. Here this you have seen of the Jackson Mich. medal, sent on the 21st

I have practiced on Hy Pratt's dedication plate to get "my hand in" for the Lincoln portrait on the diploma. I am using the St. Gaudens statue on his plate. I'll prove it up tomorrow. I believe, it is O.K. Then for the big plate. Was disappointed in the ink circuler that came in today. I hope to be in Hartford Monday, when I'll try to get some dry color in blue.

enclosed is one of Hy Wack's effusions as respecting us.

I trembled this afternoon, in fear of renting my house - but, I still have my house for myself, and my friends.

I shall be looking for you and Mrs McClelland in September.

With the accessions to L. M. U. Lincolniana you won't have to talk hard to get a new library. You will need it.

Wire me for rain now - and need it. My deepest regards to you and your family.

Ever Sincerely Yours

Burbank
