# CVM LIBRARY NEWSLETTER

NOVEMBER 2019

**Happy Thanksgiving!**

## **Holiday Hours**

**November 28 –November 30: Closed**

**December 1: 6-10 pm**

---

## **Featured Book of the Month**

### **Equine Behavioral Medicine**

By Bonnie Beaver

*Equine Behavioral Medicine* provides an essential resource for those who work with, study, and provide care to horses. It provides critical knowledge to help users understand the complex aspects of their behavior in order to benefit the animal, observe safe practices, and advance research in this area. The book includes current information on normal horse behavior and problem behaviors, particularly those associated with medical conditions, changes in the nervous system, and the use of drug therapy. Readers will gain a comprehensive understanding of the differences of the sensory systems and the concepts of learning that are helpful for successful treatments and safety. With the use of psychopharmacology becoming

increasingly common by veterinarians, including for abnormal behaviors, is important to understand the rationale for the use of these medications. Understanding the intimate relationship between behavior, physiology, and health is key to practitioners, students, professionals, and others who work with, or care for, horses.

## Workshops

---

### **Using American Psychological Association (APA) Citation Style**

November 1, 2 pm & November 11, 2pm (online only)

Learn the ins and outs of citing sources and building reference lists using the 6<sup>th</sup> edition of the APA Style Guide.

### **Using Chicago Style Citations**

November 4, 2 pm (online only)

Chicago Manual of Style (CMOS) uses a footnotes and bibliography system. Many in the history and art disciplines use this style for citation. Come learn the mechanics of CMOS!

### **Wikipedia Isn't a Bad Word: How to Use it the Right Way**

November 4, 3 pm (online only)

While Wikipedia should not be used as a source in a paper, it can still be extremely valuable to get basic information on your topic and to find sources that can be used in your paper- even primary sources. Learn how to use Wikipedia the right way in this online workshop.

### **Using Research Metrics to Tell Your Story**

November 5, 2 pm (online only)

How do you use research and bibliometric measures to convey the impact of your research? This online session will discuss some of the common measures available and provide an overview of locally available tools.

### **Introduction to Mendeley**

November 7, 11 am & 2 pm (online)

Mendeley is a citation manager created to integrate seamlessly with Scopus, though it works with other databases as well. MSU students, faculty, and staff now have access to Mendeley Institutional Edition. Learn how to build a searchable database for your references and how to use the plug-in to cite as you write.

## Workshops

---

### **Using MLA Style Citations**

November 12, 2 pm (online only)

Confused on whether to use quotation marks, italics, and which punctuation to use? Come to the MLA 8<sup>th</sup> edition workshop and be confused no more!

### **Keeping it Honest: Avoiding Plagiarism in Your Papers**

November 12, 2 pm (online only)

Plagiarism is a major problem in academic circles and goes far beyond simple “copy and paste”. This workshop offers practical steps, from beginning your research to finalizing your citations and reference page, to keep your papers plagiarism free.

### **Finding and Managing Sources for Systematic Reviews and Meta-Analyses**

November 12, 3 pm (online only)

Are you thinking of conducting a systematic review or meta-analysis? An essential step is developing effective searches across multiple databases and managing those references in a way that allows them to be evaluated effectively. This workshop provides an introduction to tips and tools to effectively implement these steps in the review process.

### **Picture This: Using Images in Your Projects**

November 14, 10 am

Images can add pop and pizzazz to your papers, projects, and presentations. However, you must cite your sources and give credit where credit is due. This session will provide guidance in the ethical use of images.
