To My Patrons & Friends

On June 5, 1939, the honorary degree of Doctor of Humane Letters was conferred upon me by Lincoln Memorial University, at Cumberland Gap, Harrogate, Tennessee. The Lincoln Fellowship of Southern California, also, elected me to Honorary Membership of its Association. These honors came in recognition of my work in the field of Lincolniana, and were possible only on account of the fine support of my patrons & encouragement of my friends. Without these my work could not have been accomplished.

I want them to know that I deeply appreciate their support and want them to share in these honors.

Dear Dr. McClelland!!

Your good letter of
the 10th at hand, as
I just got back from
a Spanish War Vet.
Encampment. Last
night I slept with
the H. H. Hornes at al-
bany, and enjoyed
my stay immensely.
I surely would like

to be with you Kin-
caid, Mc Murtry,
Williams and Nicholson
going thru the Lin-
coln country - We
will be bearing all
about it sometime,
Glad the diplomas
"went over". Rec'd a
beautiful note from
Dr. Heydt today
He is delighted!
