My dear Child,

I send you a letter that you have never seen one that I got last April 28<sup>th</sup> from Dr. Pitchett who treated Billie at the time of his death if you see fit to send it to Dan after reading you can do so. I never sent this letter to you because you thought that Billie's last will would stand all right and nothing could be done, and I send you the copy of his last will which was made one year and six months before he died, and I can't believe that

Billie made this last will if  
so he was persuaded to do so as his  
mind was shurely weakened by  
his disease. Now Mims I leave  
this with you and whatever you  
do I will be pleased it is nothing  
but right that Billie Douglas  
should remember me in his  
will when every one that lives  
in Simpson Co. knows that Pa

& womanhood what did they  
have not one dime that he  
could use, he treated them  
just as he did his own they never

worked a day for him

own children had. No I don't  
believe that Billie made the  
Cart will I am like Dan  
about this

Wanted for any thing that he  
could give them. Now  
Mims I want you to do  
all that you can to help  
Dan because I believe that  
Billie did want me to have  
what he left for me when  
his mind was not weakened  
by disease.

Let me hear from  
you and if you can do any  
thing to help me in this  
matter please do so  
With love

Mama
