Warming Up for a Great Year

Sock it to me!

What form!

Everybody watch the ball!

Here goes my cryptorchid special.

A one-and-a two.

SCAVMA
FALL
PICNIC

Center meeting for Athletic Advancement

Forward, ho!

That's for you, _____!

OOPs! I think I just hyperextended something.

Such serious business.

Caution! Rabid Vet Students on the Loose!

Really? It won't hurt if I hold my finger on my jaw.

This won't hurt a bit.

She'll go crazy when I flex this bicep.

HUMAN GUINEA PIGS
Merjeux-HDCV Comes to CVM

OUCH****

The wait before the prick of the needle.

It'll hurt worse after I give the shot, Lisa.

Is it over yet?

Remedial venipuncture and animal restraint

Mama told me there would be days like this.

Taking a Break from Academics

Thank goodness for Maxwell House.

Your name and number really are on the bathroom wall!

M&M's melt in your mouth not in your hands.

The Third Wave

**ALL COLLEGE
DAYS**
October 8-9, 1981

I think you'll find we do things a bit differently on this campus.

I dunno. Think we could escape through the back way.

Historical Figures in Veterinary Medicine-Dr. Lester Crawford

Richard Randle

Charles Merwine

Susan Simmons

Dean Miller

Awards for Excellence in Comprehensives 1981

And the winner is Dr. Grady.

Dr. Grady receives an award for his contribution to the institutional preceptorship program.

When in Cincinnati, visit Cincinnati's finest!

I always knew Dean Miller had something up his sleeve.

**DR. KARL GRADY

Prescription for Success

1. Good grooming is essential.
2. Be yourself.
3. Take care of your clients and they will take care of you.
4. Visibility and accessibility count.
5. "By appointment only" is a chance to starve.
6. Make floor space count.
7. Continuing education is a must.
8. Employee training programs pay.
9. Make your mistakes on someone else's time.
10. List in the Yellow Pages.

The Night the Goblins and Ghouls Came Out

The catwoman strikes again.

What a cutie pie!

Haven't we met before?

SCAVMA HALLOWEEN

Our social committee aims to please.

He hasn't been the same since elephant palpation lab.

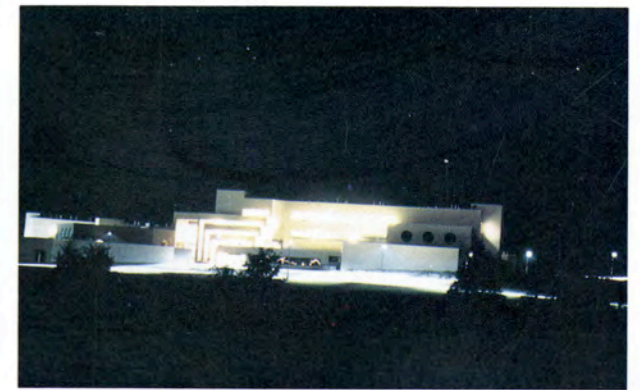

Udder Disaster

Center for Ghoulish Development

If these were the winners, I'd hate to see the losers.

More Halloween Kooks!

Everybody needs a Freaky night out.

Don't coneheads know it's not polite to kiss in public.

I picked this little tomato up in Jamaica.

Don't lean over, honey.

The Moose is loose.

They'll let ANYBODY run our sound system.

CVM and SCAVMA Team Up for a Merry Christmas

SCAVMA Auxiliary spouses help prepare the goodies.

Who needs Mitch Miller when you've got Rick and Jane Munsell.

Meet your partners.

Let's dance!

Wonder what Mrs. Honsinger whispered in Santa's ear

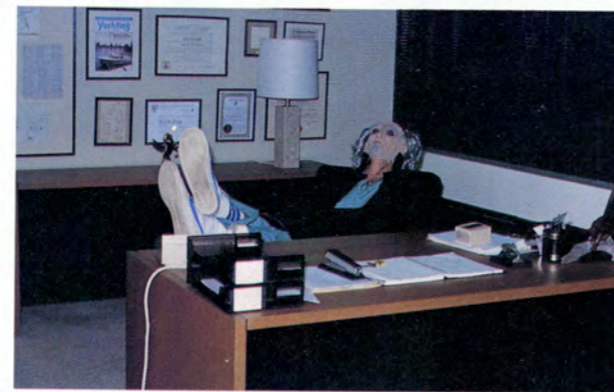

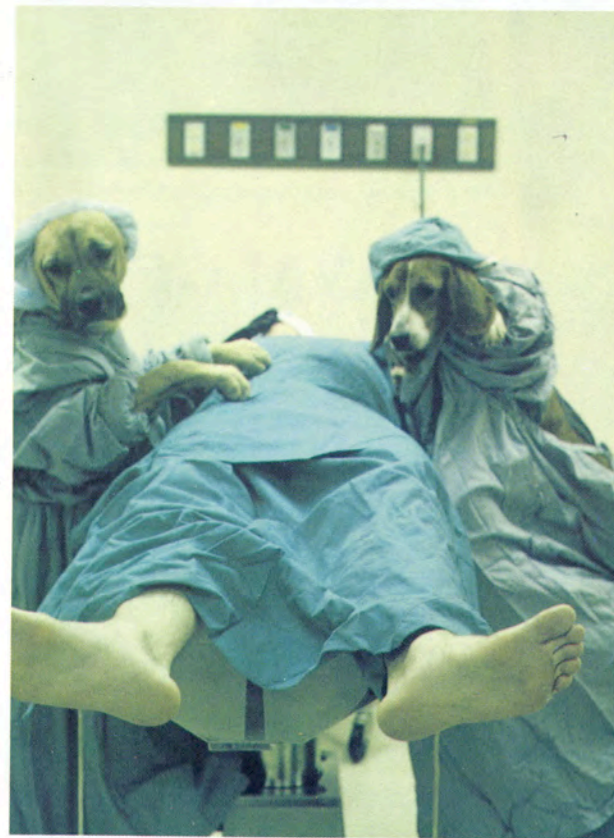

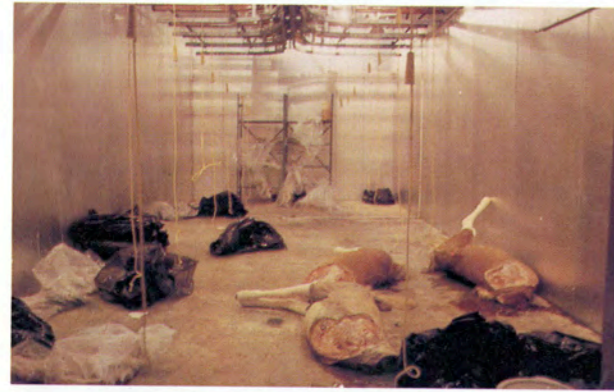

So what if this is my fifth trip for seconds?

WILDLIFE AND EXOTIC ANIMALS GALORE

I thought he said three rows from the back, not from the front.

Wonder if they can hear my knees knocking?

Now I know how Dr. Willard feels during CPC.

If you take one more picture, I'm going to bruise that camera.

Maybe the grass isn't greener on the other side — a chance to see how others survive vet school.

Symposium and summatives don't mix.

Sleeping Beauty

Relaxing after a hard day at Symposium

Did you wake me up at 3 AM just to take this picture?

PHASE III

Lip smacking good

Butch, do you really know what you are doing?

INSTITUTIONAL PRECEPTORSHIP

SMALL ANIMAL CLINIC

Gee, Sharon, the thing-a-magiggy goes in the what-yamacallit.

If he doesn't hit that vein this time, I'm going to let this dog bite him.

Do you see anything? I don't see anything either.

How many vet students does it take to suture a 1 cm laceration?

Butch and friend

Our patients get very attached to us here at CVM.

Back #336

An anesthetic accident waiting to happen.

On the count of three, HEAVE-HO.

LARGE ANIMAL CLINIC

A Bull's Eye

Prepuce #976

Equine work is so relaxing.

If I write one more SOAP, I'm going to regurgitate.

Carolina jig

Are you trying to tell me something, guys?

Coco, you really shouldn't have cut that jugular.

Show and smell-or- "How many pathologists can you stuff into one necropsy theater??"

Our very favorite receptionist — Sara Bennett

**ECONOMICS

Bet you can't hit that purple mint plant 100 yards away.

Don't you see him? That cute one in the far corner.

Gee Aw, come on guys, can't I look too?

Would I kid you? It really was that long?

Do you mess around on the first date, honey?

Ned on nutrition

Does this make us "quacks"?

Veterinary medicine is so glamorous.

PRECEPTORSHIP

**SPECIAL
SENSES**

PHASE II

Modules, Modules, and more Modules.

I used to date a girl who looked just like that.

Canned "Chic"

Don't worry, Dr. Cawley, Tom is standing by in case you need any backup assistance.

We've graduated from airplane glue to Metofane.

The old "thumb over the hose" trick gets them every time.

I'm sorry Susan; I don't see your ear ring in here anywhere.

REPRO — AN AFTERNOON'S DELIGHT

Yeap, that's a dog alright.

Can't we just ask her if she's in heat?

The first one to find one of those little fellows, yell.

I always knew I'd go far in vet school.

I don't see a tonsil in there anywhere.

Hope she doesn't cough, or I could be lost for days.

If ya'll knew what we know you'd be smiling too.

Got anything in a size 7?

Come on you guys, it's 4:30 PM and I've got 10 more cows to go.

Remedial syringe case palpation

You're going to stick this where?

Hey, Kenny, pass the Skoal.

Small animal is looking better and better.

SNOW!

BREAK!

I think David's therapy is going very well.

CPC through eyes of the Pizza Hut crew.

How not to elicit a "drawer sign".

The hell you say.

DUCK!

Hurry, Norma, I've got to spit.

Some people really get into the holiday spirit.

Mad scientists at work!

If you drop this one on the floor, you can get your own suture material.

I see what you mean, Rick. It is only this big.

Sorry ole fellow, this wasn't my idea.

Greased lighting

Your place or mine?

Remember, reading is fundamental.

Even dissection can be fun.

So who says you have to use a scapel for dissecting?

PHASE I

Rob and Kevin ham it up.

These photographers will do anything for a good shot.

Getting down to serious dissection.

Quit horsing around, you guys.

Remarkable resemblance, wouldn't you say?

This formaldehyde is curling my contacts.

There is more than one way to skin a horse.

Now lets all get into the act.

Whew-we! This Skoal is powerful stuff.

The guys are right. These cutoffs are just a little tight.

Smile! You're on candid camera.

Pat, I think you could see something if you turned the light on.

An enlightened conversation

A relaxing game of tag football

Near misses are only good in horseshoes, girls.

HIKE!

That's not the tag; them's my drawers.

Tag! Tag! Whose got the tag?

Taking Time Out for SPORTS

Oops! Blockers are like cops. They are never around when you need them.

But it was right there just a minute ago.

Lynn, you're supposed to use your hands, not your skull.

That's more like it.

Did you lose something, Dr. Burns?

Let's try to keep the ball inside the lines, girls.

What door hit you?

Outfield is a lonely place.

That's not how birds do it.

FACULTY

If you guys only knew how I really feel about POMR!

Look Ma! No hands!

Aw, guys! Please come on down to the front.

Willard's Mistake #1095

Whew we! This hot cider punch is something else.

Ophthalmologist from outer space

Wonder how the seniors would feel about rounds from 8 to 5?

Why is everybody smiling but the horse?

Dr. Kiers in his element.

When all else fails, use your teeth.

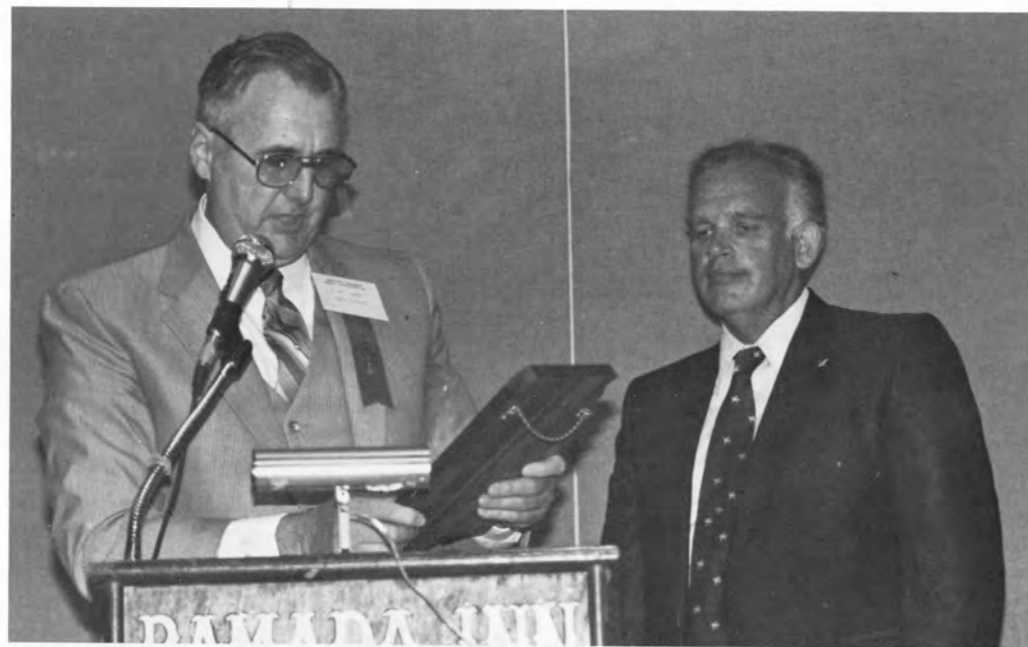

Sniff! Sniff! I smell a seminar coming up.

Sorry, fellow, even with those ears, you'll never get off the ground.

A rare moment!
