ED JONES

Honorable David R. Bowen, M.C.
U.S. House of Representatives
2421 Rayburn House Office Building
Washington, D.C. 20515

Dear David:

It was with deep regret that I heard about your decision not to seek re-election this year. After having the privilege to serve in the U.S. House of Representatives with you for your five terms, I was hopeful to have the pleasure to serve with you for several more.

Your service to the people of Mississippi's Second District has been conscientious and unyielding. I know your constituents have appreciated your efforts to represent their interests as much as we in Congress have appreciated your representation of the interests of our nation as a whole.

I am grateful for the opportunities I have had to work with you on the many occasions through our positions on the House Agriculture Committee. Your knowledge and expertise on agricultural matters have proved exemplary.

I wish for you only the best in all of your future endeavors. Please call upon me any time I may be of assistance to you in the future.

With kindest regards and best wishes, I am

Sincerely yours,

Ed Jones, M.C.

Dear Ed:

I just wanted to let you know how much I appreciate your very kind letter regarding my decision not to seek re-election this year.

It has certainly been a pleasure serving with you, and I shall look forward to a few more struggles together as comrades in arms before January. After that time it is possible that I will be staying in the Washington area, so I will hope to be seeing you after I step down from the House.

Hope things are going well in your re-election campaign.

Sincerely,
