Dear "Mina";

It has the "unofficial"
advice that "Oswald" has been
nominated to succeed himself as
United States Senator, and I wish to
convey to you my feelings of elation -
wish I could be with you this
"Morning" and mingle my joy with
yours - Certainly this is a great victory
check, so it is for our Democratic
Party, and the result is good
that our Country is to be benefited.
After your long stay of the recent administration
and the continued help of Senator
Harrison will make a wonder, especially
for the agricultural interest of our
Country. And I believe an era of
prosperity is imminent.

Let not impress upon you the
necessity of your continuing your
stay at the institution and continue the
rest that you have been in need of
for a long while - I have been
anxious to pay you a visit, but may

Health will not permit of so long
a trip - Ahah, and that may be
the reason I haven't been to see you.
Please don't bother me with
business, there is going to be plenty
of business when I get over, and
you will be free and free to take
back, with your innate energy.

With best wishes and regards
to you and Nettie -

Yours
Cammie
