Extended Exam Hours

Starting April 19 through May 1, the CVM Library will stay open until 1 am. Complimentary coffee will also be available throughout the day for any one needing to recharge during exam time.

Featured Book of the Month

Clinical Textbook for Veterinary Technicians, 8th Edition
Joanna M. Bassert, VMD and John Thomas, DVM

A fundamental text in the field of veterinary technology, McCurnin's Clinical Textbook for Veterinary Technicians, 8th Edition has the trusted content, simplified layout, and novel study tools every Vet Tech needs. Sections on small and large animals, birds, reptiles, and small mammals embrace every aspect of the veterinary field, while case presentations of actual patient situations link information to relevant, real-life scenarios. This color-coded, fully illustrated guide will give you a leg up in the constantly evolving Vet Tech field.

Tools for Citation Management: Mendeley 101

April 6, 10 am

Mendeley is a citation manager created to integrate seamlessly with Scopus and ScienceDirect, though it works with other databases as well. MSU students, faculty, and staff now have access to Mendeley Institutional Edition. Learn how to build a searchable database for your references, and then how to use the plug-in to cite as you write.

Who’s Citing You? Tracking the Impact of Your Research Online

April 11, 2 pm (online only)

Do you know your H-index? How do you manage your research profile on social media? This session will provide steps to assist the 21st century researcher as they manage their online research persona.
