Dear Mr. Jobe:

I note a letter from State Superintendent Tubb to [REDACTED], a graduate of Jackson College, of [REDACTED] Avenue, N. W., Washington, D. C., with reference to negro education in Mississippi. She came by the office here and asked for financial assistance for the current term. She had heard that financial assistance was either provided, or in the process of being provided, by the State whereby negroes could attend colleges outside the state if none were provided within the state. She also inquired as to the possibility of working at Alcorn or other institutions in Mississippi while she completes here thesis for her M. A.

I told her that I would write you, so it will be appreciated if you will advise her.

With kindest personal regards, I am

Sincerely your friend,

R. D. Morrow
