New Book of the Month

**Laboratory Procedures for Veterinary Technicians**

*Margi Sirpis (E-Book)*

The 6th Edition covers the broad spectrum of laboratory procedures that veterinary technicians need to perform effectively in the practice setting. Comprehensive content presents the fundamentals of microbiology, hematology, urinalysis, immunology, and cytology, along with the laboratory procedures used to perform the most widely used tests such as complete blood count, urinalysis, and immunologic assays. This edition includes newly organized chapters with expanded coverage of essential material to prepare you for real-life laboratory work.

New book orders are placed all the time. Let us know if you have any suggestions. Email Derek at dmarshall@library.msstate.edu.

Our doors are always open to help you. Email cvmlibrary@cvm.msstate.edu or call the CVM Library at 662-325-1256.
