Where to Buy Farm Supplies

PATRONIZE FIRMS who co-operate with you. On the following pages we give a list of manufacturers who offer you not only high grade goods, but effective sales-producing co-operation. They are making their goods easy sellers by advertising in The Progressive Farmer, the South's leading farm paper.

What Our Advertisers Say

The Southern Plow Company

SOLE MANUFACTURERS
LEDBETTER ONE SEED CORN AND COTTON PLANTERS
IMPROVED CIRCLE BRACE DIVERSE CULTIVATORS

808 B-O PACIFIC AVENUE

Dallas, Texas.

We have been using the Progressive Farmer for the past six or seven years in advertising our Ledbetter "One Seed" Corn and Cotton Planters and Diverse Cultivators and the returns have been uniformly good.

We key our ads and keep a very careful record of inquiries, direct orders, etc., and the Progressive Farmer is at the top of the list.

We are not a "Mail Order" house and our advertisements are intended to interest the farmer so he will purchase through his local dealer, but at the same time, the number of orders sent us direct has always been gratifyingly large.

You will soon hear from us with copy as we intend beginning our advertising campaign earlier this year.

Yours very truly,

THE SOUTHERN PLOW CO.

ALLEN & CO.

Replying to your favor of Nov. 28th, we are glad to report that the inquiries and orders resulting from our Planet Jr. advertising in The Progressive Farmer have been very satisfactory. The Progressive Farmer is one of the best paying papers on our list.

Trusting this will give you the information you desire, we remain,

Very truly yours,

S. L. Allen & Co.

RECIPROCITY

As stated in circular enclosed, YOUR pros-
 perity, OUR prosperity, the prosperity of
 EVERYBODY depends upon the prosperity
 of the FARMERS. When THEY are pros-
 perous YOU are prosperous, but when they are
 NOT prosperous, YOUR business feels a loss.

We don't refuse fake advertising because we
 are "goodygoody" nor because we don't need
 money. *We do it because we know that every
 dollar spent for worthless things renders the
 buyer less able to buy something good that he
 needs MORE.*

In other words, Mr. Merchant, we are pro-
 tecting our readers against those that would rob
 them and take from them money which would
 OTHERWISE be spent with YOU.

Since we are protecting YOU and your
 CUSTOMERS—won't you reciprocate and
 help us by subscribing to the PROGRESSIVE
 FARMER and asking your farmer-customers
 to subscribe for it, too? If they will read it—it
 will HELP them. And anything that helps
 them will increase their EARNING capacity.
 Increased EARNING capacity means increased
 BUYING power. See where you come in?

Come on, friends. Subscribe to the paper
 that is really DOING things and that has the
 nerve to refuse crooked money NOW because
 it knows it will bring HONEST money in the
 long run.

We need your help and you need ours.
