Scope and Contents

The Tombigbee Council on Human Relations (TCHR) was a community action organization, which primarily concerned the Mississippi counties of Clay, Lowndes, Monroe, Noxubee, and Oktibbeha. Among the projects with which it was involved were the Starkville city election suit, prison reform in Lowndes County, voter education, and day care. The collection includes correspondence, minutes, reports, surveys, newsletters, and other documents.

The original collection (8 cubic feet) consists of the organization's official files. Earl Thomas, a former member of TCHR, donated his personal files (1 cubic foot) concerning the organization. The folders in the Thomas Addition are listed following the TCHR official files.
