I want an answer at earliest
possible date

Dear Sir

I send you the enclosed
Clipping from the only
little Virginia paper in
English we have, and
which Fred has just
brought up to me - It
is certainly worth keeping,
and if you don't want
it, I do - So don't let
it be lost - I shall

Wait with impatience
to hear of your plans
after leaving the British
Isles - I feel that we
ought to get together for
Norway, Sweden and
St Petersburg - and
then to Ober ammergau
the last of August -
Then you come here
for Sept. How does this
idea suit you. Think

it over - Everyone says the seats
for the Union Mass should be se-
cured a month before hand and
if you will let me know how many
you want we can secure the
seats all together. The Mass continues
into Sept, but we could plan to
come back to it the last of Aug.
as we must get settled the 1st of
Sept and the children begin their
studies and Fred his office work.
You know my plans are all in
a business way of seeing that
I can in 60 days and get you here
in Sept. Now you are more that
may be termed idlers, and can ar-
range to come with us in Aug. After

You have gotten through
with the British Isles.

I think we are a
little group going off
for the summer, as the
Stangers have written
they were coming to
see us and then we
hear that Margaret Keim
& coming here later
Isn't it strange Mr
First Sister should

have died so suddenly.
and Rose has married
Thomas. — So far the
weather has been beauti-
ful this spring. I am
sorry you could
not come earlier, but
you must another year.
How you know about
our plans write me
soon. — Thank many
thanks for the present

P.S. He goes to the Leuchtenstein place
in Styria about the 12th or 14th as we
could not resist a temptation like
that. The imitation being most
unprecedented, as it made Lady
Paget and the other Antisemitics
open their eyes to hear we were
asked - And the family we visit
is the highest in Austria, and
the place the finest. They are dis-
tinguished Princes in Russia and do not
consider themselves even under
the Emperor as they own their
own country and do not pay
taxes to this Government. I am off -
