March 9th. 1894.

To the Honorable Post Master General,

Washington, D. C.

Sir:-

I have the honor to write again in behalf of Mr. G. W. Hunter, of St. Louis, Mo., who is an applicant for the position of General Superintendent of the Railway Mail Service, and to emphasize what I have heretofore said in favor of that gentleman. I have become better acquainted with Mr. Hunter, and do not hesitate to say that, from every point of view, he is eminently deserving, and is as well equipped for the service as any man in the United States. Morally, socially and politically, he is without an objection, and his appointment will meet every requirement of the office. I earnestly commend his application to your favorable consideration, and trust that you may be able to submit his name to the President for appointment.

Most respectfully

your obedient servant,

Governor of Mississippi.
