Dear Miss:

I should have answered your
appreciated letter of the 3rd inst., sooner,
very really, having had the time; You can
easily imagine how busy I am
kept - One placed them that with
such short crops that it would
hardly require all one time, as it
did when the time was growing earlier;
Some how I keep just as busy as ever -
I have no time I don't have the help
that I used to have, can't afford to
hire it.

Now in regard to my failure to secure
insurance through Mr. Ratliff's Co -
I did fail, but didn't stop there -
I just went right after another Co -
and got it, and a better one too, I think.
I took \$5000⁰⁰ and now have \$8000⁰⁰.
Now, do you know I have been thinking
I should take the matter of getting

My affairs in shape now with you
for some better time - I wish to get
every thing written up and arranged
I realize I am in poor health, and
don't really count on living to
be an old man. I have a large
family, and would arrange things
that they might avoid all expense
possible - Some time when it
is convenient I would be glad to
take this up with you personally
but get your ideas on it -
I know I should do something for
my health, but just what to do is
what troubles me so much - I have
consulted Dr. Creel so often, and I don't
think he believes there is any thing more
he can do with me; but he is mistaken,
I think of trying some other physician, but I
am really afraid of being imposed upon -
I know Dr. Creel is honest with me, even if he
is mistaken - There I shall go on to Jackson soon
& see Dr. Creel again, or perhaps some other Dr.
Yours - C. Williams
