Magee, Mississippi,

October 3rd. 1913.

Mims Mitchell,

Port Gibson, Mississippi,

My dear Mims:-

I have your letter and I am very glad indeed to receive same. They had written me from home that you were in school at Chamberlain Hunt and I am certainly glad to know that you are nicely situated and that you and Gordon are going to have the opportunity to improve yourselves. I want to urge that you both do your utmost to improve yourselves both mentally and physically. Do not neglect your daily physical exercises. It is as important as your mental exercises. I know that you boys will study and take every advantage that the school offers to benefit you. Be sure that you obey the rules of the school and your conduct should be always in accord with the school discipline. Under all circumstances you boys should be manly. Know that you both are gentlemen and dare to do the right things under any and all circumstances. Then we all will be proud of you. You will be better off and your collegiate training will not be missed.

If you boys encounter any trouble or difficulty that the school authorities cannot straighten out to your satisfaction I shall be glad for you boys to write me or wire me and I would run over there and assist you all that I can. I know that Cammie would do this also.

With much love to both of you, I am,

Yours &c,
