### Featured Book of the Month

#### Principles of Meat Science, 5th Edition

By Elton D. Aberle

*Principles of Meat Science* provides a comprehensive overview that includes the latest discoveries and principles that are necessary to understand the science of meat and the utilization of meat as food. It targets courses whose students have taken appropriate introductory courses including introductory biology, chemistry, and mathematics courses, and also have completed an introductory animal science, food science, or animal industry course.

## Research Consultations

Need help with your research? Contact the library to schedule a one-on-one meeting to discuss search strategies, literature reviews, or anything pertaining to your research. The library is here to help! Contact Derek to set up a time to talk, [dmarshall@library.msstate.edu](mailto:dmarshall@library.msstate.edu).

## Special Printing

Need a poster or banner printed for your presentation? The Digital Media Center can help. The Digital Media Center at the Mitchell Memorial Library offers printing in color or black and white on a variety of paper sizes and types. Check out the printing costs at <http://lib.msstate.edu/documents/> or to place your order.

## Research Guides

Your very own College of Veterinary Medicine Research Guide can be found at <http://guides.library.msstate.edu/cvm>. This guide is filled with information on the DVM and VMT programs as well as Clinical Resources, Professional Development, and more. Check it out for help on your research! There are also links to other research guides that may be of interest.

## New Books

New book orders are placed all the time. Let us know if you have any suggestions. Email Derek at [dmarshall@library.msstate.edu](mailto:dmarshall@library.msstate.edu).
