# Agricultural and Mechanical College.

EXECUTIVE DEPARTMENT:  
General S. D. LEE, President.

Agricultural College, Miss., Sept. 24<sup>th</sup> - 1894

Genl. S. D. Lee, Pres<sup>t</sup>

Dear Sir -

After discussing and considering every plan that has been suggested to put up an additional building to the present Laboratory to be used jointly by the two Departments we have come to the conclusion that any such arrangement would not be best suited to the wants of either department and as the Mechanic Arts department is more in need of room we recommend that \$2500 of the fertilizer fund be spent in erecting a suitable building for the department of Mechanic Arts -

Respectfully

W. L. Hutchinson
