Dear Mama:-

I am sending you by Parcel Post some Books for the children and I am going to ask you to deliver them to the children with my love.

I selected them while in Mobile buying some goods and Nettie and I thought about the children for Christmas and I thought some little books would please them. I remember when I was a child and the books that the Douglas family always gave us on Christams, and I really thought more of the book presents than anything else. I do hope that you are well and that you will enjoy Christmas with all of the children around you. I would like to be there but I cannot. I have just begun to get ready. I opened my store yesterday and am well pleased with my start. I am the very busiest man in the whole country now.

Remember me to all.

Nettie joins me with best wishes and love

Your son,

Mims
