Mr R. L. King

A & M College Miss

Dear Sir

As you have kindly agreed to distribute
blanks among those connected with the College

I herewith send you some enclosed in envelop

Please impress upon them the necessity of
filling out these blanks and returning them at
once. I will have to depend upon you

for furnishing data for history of the institution.

This we want to give as completely as possible
as the paper will be circulated with and

West among prospective citizens who would
want to learn all about the College possible

I will send you out samples of book
paper and may put in the catalogue in
a day or two. Let me know at your earliest
convenience when the copy for catalogue will be
turned in and in what time the work will
have to be delivered.
Yours Sincerely
Wm. Ward

I enclose you a sample cut which will give
those having portraits made, an ~~idea~~ idea
of the class of work we propose having done
It is a cut made of best Muldrow from
a photo taken several years ago. It
is an exact re-production of the photo.
