It has been accepted for inclusion in CVM Library Newsletters by an authorized administrator of Scholars Junction. For more information, please contact scholcomm@msstate.libanswers.com.

CVM LIBRARY NEWSLETTER

APRIL 2021

Featured Book of the Month

Elsevier's Veterinary Assisting Textbook

By Margi Sirois

Based on NAVTA-approved guidelines, **Elsevier's Veterinary Assisting Textbook** by Margi Sirois offers comprehensive coverage of the knowledge and skills you need for a successful career in veterinary assisting. You'll learn about the role of the veterinary assistant and how to perform key responsibilities of the job, including assisting the veterinary technician and the veterinarian by restraining animals, setting up equipment and supplies, cleaning and maintaining practice and laboratory facilities, and feeding and exercising patients.

Study Rooms

If you need a quiet place to study come reserve one of the library's five study rooms. These rooms can be used for four hours and can either be booked the day of or in advance.

Our doors are always open to help you. Email dmarshall@library.msstate.edu
or call the CVM Library at 662-325-1256

Workshops

- **Due to COVID-19 all library workshops will be held online. You will receive a link to the workshop when you sign up***

Keeping it Honest: Avoiding Plagiarism in Your Papers

April 6, 9 am

Plagiarism is a major problem in academic circles and goes far beyond simple "copy and paste." This workshop offers practical steps, from beginning your research to finalizing your citations and reference page, to keep your papers plagiarism-free!

Where Should I Publish? How to Select the Right Journal

April 7, 10 am

Determining where to publish your research is one of the most important decisions every scholar makes in their career. This workshop will cover how authors should go about selecting the right journal in which to publish their scholarship. We will include how to evaluate Open Access journals in that process. We will also cover how to avoid "predatory" journals.

Why Data Management?

April 7, 11 am

Learn about concepts around data, what constitutes research data, recognize the importance of managing your data, understand what data management plan is, and learn about practical tips for data management.

Creating an Effective Presentation

April 8, 3 pm

Learn how to develop an effective presentation and present face to face or in an online environment. In this workshop, you will learn the do's and don'ts for creating a professional presentation. You will gain the skills you need to present face to face or adapt to an online environment.
