To the President and Members of
the Faculty:

Gentlemen-

I have the honor of
submitting to you the subject
and outline for my graduating
thesis, and of making application
for a diploma next commencement.

I am behind in two studies
viz: General History and Physics.

I am preparing for examination
on these subjects and feel certain
that I can pass on them at an
early date. Hoping that you will
consider my application favorably
I remain,

Very respectfully yours,

Geo. C. Ferris
