Princ. A. & M. College,

Jan'y 31, 1895.

Sir:

Having passed  
satisfactory examinations in  
all of my studies, except geology  
which I did not take with  
the class, until the close of  
the first term of my senior  
year, I hereby make applica-  
tion for a diploma.

I have already stood two  
examinations on the first two  
thirds of geology, making a  
grade of ninety on each exami-  
nation; and have made arrange-  
ments with the professor in  
charge of this study to stand  
an examination on the last  
third during the present term.

Respectfully,

W. H. Lamb
