June 14<sup>th</sup> 1895.

General S. S. Lee,  
Shaksville, Miss.

My dear Sir,

Yours

letter informing me of my error in regard to the English Professorship has just been received, I had just written you and enclosed some testimonials. I would like to come to Mississippi and enter the service of your College, and if a successor to Prof. Lefson is in the Chair of Psychology and Ethics and as Head of the Preparatory Dept is to be elected, I would esteem it an honor to be elected to the position; and I accordingly ask your favorable consideration of the matter. (I am abundantly able to handle the Psychology and Ethics, and I have reason to know that I am specially suited for looking after Preparatory work. In my educational work hitherto, while myself engaged in higher fields, I have recognized the importance of, and been much commended

with preparatory education. I take the  
liberty of referring you to Prof. A. B. McKay,  
who was with us for sometime in Texas.

Very truly yours  
H. L. Pringhurst -
