Mr. [REDACTED]

Dear [REDACTED]:

Thank you for your letter relative to school busing.

I am opposed to the busing of school children for the sole purpose of overcoming racial imbalance. This unreasonable busing is injurious to our school children and only benefits some Washington socio-political statistician. I am working diligently to restore a policy which puts primary emphasis on our children's education and welfare.

Again my appreciation for your letter and with warm good wishes, I am

Your friend,
