April 18th, 1896.

Mr. W. A. Stone,

Mound Landing, Miss.

My dear Sir:-

I write to invite your attention to my candidacy for a seat in the Senate of the United States and to solicit your support. If, from your knowledge of my political and official course in Mississippi, you can give me your sympathy and support, I assure you that it will be gratefully appreciated.

I trust you will do me the honor to read my recent letter, defining my position on the currency question, and not be misled by the deceitful head lines of some of the extreme free silver papers which are intended to prejudice the mind of the reader before he begins it.

Trusting that I may be favored with your support, and that you will have the kindness to give me an early answer, I am, My dear Sir,

Very truly yours,
