September 17, 1908.

Gov. Wm. C. Coker,

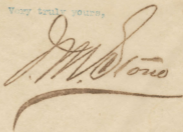

Montgomery, Ala.

Dear Governor:-

I beg again to invite your attention to the matter contained in my letters to you of the 29th. of July and 19th. of August both on the same subject, and neither of which has ever been answered. I, as stated in the letter of the 19th. of August, received the registry receipt again signed by your private secretary, for the letter of the 29th of July, containing the \$ 20,00 of the "Petten money", but nothing else. It is a small matter but worth looking after, and I have no doubt but that it has slightly been overlooked by you.

I am, Governor,

Very truly yours,

A handwritten signature in dark ink, appearing to read "J. M. Stone". The signature is written in a cursive style with a long, sweeping underline that extends to the right.
