Dear Sir

I wrote you yesterday in regard to my son Fred who is sick with the Measles. I had a letter from him yesterday in which he stated that he was getting along very well. Should he recover all right from this attack and have no complications from it probably he will not have to come home. Will you please have the Dr to examine his eyes and see if he is able to keep up with his studies and whether he thinks it best for him to come home or not he had better stay. Will you please excuse him for the present from all duties that will expect him. The type of Measles here is very light

For Mr Stone
Starksville Miss

My Dear Sir

I send my son Fred back to school
I think his eye has sufficiently recovered to
enable him to keep up with his classes. Will
you please excuse him from all evening
duties so that he can put in as much
time as possible on his studies in the day.
He has lost 2 months and it will be all
that he can do to keep up - and if this loss
time is counted against him he will make
a very poor average.

Yours truly
F A Jordan
