Miss.

My dear Sir,

Mr. Ben Roberts, a young man 18 years old, desires to become a mechanic. He is a worthy young man, and I am pained to assist him to get a mechanical education. I don't think Sharkey Co. has any students in your college. Can Mr. Roberts sit in there about the first of January next? If so please inform me about the expenses &c.

Your friend &c,
H. J. McLaurin.
