March 20,

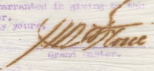

Dear Brother Speed:-

I hope you are familiar with the schemes of the
brothers at Natchez to raise means to recover from the Bond holders, the
Masonic Temple of that City, and I write you for advice from a state
point of one familiar with Masonic law, especially the law governing
the action of the Grand Master in this Jurisdiction.

I inclose Brother Bengt's letter from which you will readily see
or what the Grand Master will probably be asked to do, in the premises.

If the request is made, I desire the opinion of the Law Committee
as to what recognition the Grand Master is warranted in giving to the
movement outlined by Brother Bengt's letter.

Respectfully yours,

Grand Master.

Brother Frederic Speed,
Chairman Law Committee, in the Agricultural
Vicksburg, Miss.
