June 2, 1904.

To the Trustees of the Jackson Normal School,

Jackson, Miss.

Gentlemen:-

I take great pleasure in commending to your favorable consideration the application of Miss Norma Moore, of Claiborne County, Ga., for a position as teacher in your City School.

Miss Moore was a student at the Industrial Institute for Women at Columbus, Miss., in 1892-3, in which latter year she graduated in the Department of Arts, and entered the College to teach. She spent successfully three years in the graded schools in Claiborne County, Ga., under the supervision of the Superintendent of Education of that County. The first year of the City Graded School in Lenoir, Mo., and the last year was in the same position, the school of the City of Atlanta, Ga., where she was engaged in the same work.

Miss Moore is an excellent young woman, very intelligent, of good character, and a very efficient and well equipped for teaching in any school, and of unusual ability and confidence in her own powers.

Very respectfully,
