Mr Jno D Stone -

Pres't Etc N & M College

Starkville Miss

Dear Sir,

I have in mind your letter
of July 17th declining to set a price
on the college lands in 9/1898, and
my principal in the matter has
authorized me make and offer, leaving
the option of so doing to me, unless you
show had the lands examined and found
their character & feel that it would
be useless to make the offer now - I
hope that you may be able to have
the lands examined soon - I am
now asked by another party to
visit you and see if you will
now, or in the near future be

2

in a position to put a price on
your lands some 2000 - acres in
T H & R & W Jackson County =

You will understand that it
is the purpose of my people
in each case to take all the
lands in the two Townships
named - if terms suitable to
all parties could be made =

I hope you are well and happy -

Yours truly

Robt E. Wilson
