It is needless to comment on the success of Alfred Solman's "IF I HAD A THOUSAND LIVES TO LIVE," but many more friends than the above song has won, are acclaiming the spontaneous triumph of the same composer's most recent composition—a ballad of the heart-entitled, "MINE." As simple as it's title, yet most effective for the singer, the song "MINE" is a distinctive feature wherever performed, and is destined to become a favorite with every music lover.
